LES TURNER ALS FOUNDATION™

Les Turner ALS Foundation
Rosen Transportation Grant Program

The Rosen Transportation Grant Program helps to reduce expenses associated with transportation to and from the Lois Insolia ALS Clinic (LIALSC) for ALS patients (PALS) and their caregivers.

Transportation Grant Guidelines:

- Transportation grants are available to PALS who would otherwise be unable to get to their LIALSC appointments due to physical limitations and/ or financial need
- PALS of the LIALSC may request a transportation grant application from their Les Turner Foundation Advocate, a LIALSC team member or the Les Turner ALS Foundation Director of Patient Services
- The Director of Patient Services, Patient and Family Advocates, Clinic staff and LTF staff may provide PALS with a list of reputable transportation companies to use to self schedule their rides to their Clinic appointments
- PALS should identify themselves as LTF PALS when scheduling transportation
- Along with completed grant application forms, PALS must submit a "Covenant not to sue" and a copy of their previous year's income tax return unless they are on Public Aid
- Grants will be reviewed monthly by the Foundation Home and Community Team and the LIALSC Nurse Coordinator
- Awards for a maximum of $600 per calendar year may be used by PALS to assist with transportation costs to and from their Lois Insolia Clinic visits on Wednesday and Thursday afternoons ONLY
- Special circumstances will be reviewed case by case
- PALS may re-apply for a transportation grant annually

PALS who have been approved for a transportation grant may fax, email or mail in transportation receipts for reimbursement to:

Judy Richman, RN, BSN, Director of Patient Services
Les Turner ALS Foundation
5550 West Touhy Avenue, Suite 302
Skokie, IL 60077
EMAIL: jrichmand@lesturnerals.org
FAX: 847-679-9109

All applicants will be notified of their grant award status after the submission and review process is completed.
